

NOTIFICATION OF GRANT OF APPROVAL OF WASTE BATTERY EXPORTER

WASTE BATTERIES AND ACCUMULATORS REGULATIONS 2009

Waste Portable Batteries

We hereby grant approval to Ecomove EV Group to operate as an approved battery exporter (ABE) for waste portable batteries. Your approval extends to the following specified overseas site only:

Operator approval Number	Overseas site name and address	Tonnage (evidence notes)
BE2310685BE	Volta Inc Shizuoka Prefecture Yamamiya Fuji-Yama City 3507-17 Japan	15 Tonnes or less

Your approval is subject to the conditions specified in Part 2 and Part 4 of Schedule 4 to the Regulations. Your approval applies only to the named exporter for the specified overseas site only. You have given an undertaking (paragraph (4) of regulation 65) in respect of a tonnage limit, which is indicated for each site in the table above, and consequently you have paid the lower application charge. If you subsequently exceed this tonnage limit you will be liable to pay an additional charge. You must pay the additional charge within 28 days of exceeding the threshold.

Your approval is valid from 30 March 2023 and ends on 31 December 2023 unless it is otherwise suspended or cancelled.

The approval allows you to issue evidence notes for waste portable batteries which you export for treatment or recycling at these specified overseas sites. You must issue evidence notes in accordance with the Regulations.

to one or more of your approved overseas sites, or may apply to your whole approval. Your whole approval will cease to have effect if you cease to be an exporter or if you request that your approval should be cancelled.

You must notify us immediately, in writing, of any changes to the details submitted with your application. If you wish to export to any additional overseas sites you must submit an application to extend your approval to cover these sites, which will incur a charge of £110 per additional site.

You must ensure that all international shipments of waste batteries are in accordance with the Waste Shipments Regulations. More information on this can be found at www.environment-agency.gov.uk/wasteshipments.

This approval does not replace any other environmental authorisations that you may have for the site. You must continue to comply with these and other relevant legislation.
